

# PERSONA®

## Social-emotional skills platform for teenagers

The Persona Life Skills wellbeing and employability platform is a unique, personality insights approach to Social-Emotional Learning (SEL) for secondary students, ideal for personal development in classroom, blended or remote learning settings.

[www.persona-life.com](http://www.persona-life.com)

Hit student personal development targets.

Deliver and monitor social-emotional learning.

Empower non-specialist PSHE/SEL/SMSC teachers.

## Get started with a free Persona Life Skills teacher account

Register a free account, then add as many student users as you like (age 13-19). Upgrade to a paid school/college subscription for full access to all modules.
